Reviews

The 2009 'Museum Release' Marsanne gives wonderfully mature notes of baked apples, lemon tart, toasted almonds and tatami mats with hint of chalk dust. Light-bodied, it fills the palate with almond and toast laced preserved citrus notes, finishing with very good persistence. Score: 90 Points Lisa Perrotti-Brown, erobertparker.com

About the producer

With vines dating back to 1860, Tahbilk is one of the oldest established wineries in Australia. Based in a lakeland area of Victoria, which cools the climate somewhat, this terroir is ideal for the grapes of the Northern Côtes du Rhône - particularly white Marsanne and red Syrah/Shiraz.
