### Tasting notes

---

This is a big welcoming nose. The fruit is concentrated with lots of blackcurrants and dark plums as well as some more complex notes of smoke, pine needles and herbs. The palate is just as big and bold but all the elements here are wonderfully integrated making it an absolute joy to taste. The texture is full and round with oodles of cassis, dark plums, spice, black pepper in particular, mint, cedar and smoke. The structure is great, tannins are there but in perfect harmony with the mass of fruit, the acidity too. This is a wonderful wine that will give huge amounts of pleasure to those that love well-made Cabernet Sauvignon. Drink from 2016 (will need to be decanted) and can be enjoyed over the next 15 years+.
