### Tasting notes

---

From a cool site in a combe just behind the village, this is an attractive, almost delicate wine with lovely sweet berry fruit on the nose and a hint of vanilla and spice. The palate is bursting with succulent forest fruit notes which blend harmoniously with a wonderful and refreshing acidity. Drink from 2015.

### About the producer

Spending any time with Nicolas Potel in Burgundy can't help but to make even the most ardent of critics a lifelong convert. Nicolas is another man of boundless energy but his approach is very organic, adhering to the natural rhythms wherever possible. Such an unforced, careful, natural and sensitive approach is reflected perfectly in his wine and Nicolas has brought a breath of fresh air to Burgundy over the last decade and more. Quite simply, he remains one of Burgundy's brightest talents.
