### Tasting notes

Nothing to do with "thunder" and everything to do with being on the way to the village of "Tonnerre". The vineyards lie on west facing slopes catching the evening sun and ripening gently. The expansive nose is characterised by minerals and fine citrus acidity with a hint of fennel. The kimmeridgian clay in the site imparts fantastic complexity with graphite, silex, gunsmoke, oystershells and a chalky, flinty character. Absolutely precise, linear and direct this needs some time. As Benoît puts it, it is not distracted by "being pretty". This is classic and will be fabulous in 5 or 6 years. Absolutely irresistible. Drink 2018-2025.

### About the producer

Benoît Droin may have a youthful appearance but he speaks with the wisdom that can only come from generations of Chablisien know-how being passed down by a combination of intuition, osmosis and hard-work. His goal is terrific wines of purity, elegance and accessibility. Combine this with some great value pricing and these wines will continue to bring enormous pleasure to all who encounter them.
