### Tasting notes

On south facing slopes, exposition is more important than soil here. Benoît explained that the vines were only planted in 2003 and it will take a while for the roots to be deep enough for the mineral characteristics to dominate. Always one of the first parcels to be picked, this is perhaps the least chablisien of the set. All about fruit, this has gorgeous ripe yellow, peachy flavours, with a taut limey undercurrent of acidity. Finishing with perfume and hints of soft herbs, tarragon and spice. Delicious for those less enamoured of the classic mineral style. Drink 2014-2025.

### About the producer

Benoît Droin may have a youthful appearance but he speaks with the wisdom that can only come from generations of Chablisien know-how being passed down by a combination of intuition, osmosis and hard-work. His goal is terrific wines of purity, elegance and accessibility. Combine this with some great value pricing and these wines will continue to bring enormous pleasure to all who encounter them.
