### Tasting notes

---

A wine with real precision to its features, as if chiselled by a master sculptor. Notes of ripe kumquats and little tangerines, with zest, pith and juice all combining. On the palate there is a salty, marine element and an obvious mineral thread running through it as a backbone. The impression is of a racy wine with perfect line and form and plenty of personality. Drink from 2017.

### About the producer

---

The vision of Anne-Claude Leflaive in the 1990s took this Puligny Montrachet Domaine to the heights of white wine production, not only in Burgundy but in the rest of the world. Today, her nephew Brice de La Morandière - who has had a successful career running multinational companies - continues her philosophy of organic, biodynamic viticulture, bringing Chardonnay grapes to their best possible expression in Grand Cru and Premier Cru climates, where the terroir has been restored to health by natural practices.

\*These wines are not available for non-UK based customers.
