### Tasting notes

---

Hailing from this cooler vineyard site where the grapes are the last to ripen and are subsequently often the most concentrated. Expressive white peach, lemon and apple, gentle fennel and wet slate provide an enticing aroma of youthful energy. The palate is rich and concentrated but with that unmistakable Huet acidity that creeps through and sits beautifully alongside the very clear, flinty quality on the mid-palate. There is excellent substance here, layers of citrus fruits and minerals vie for attention and lead to a long and intense finish.

### About the producer

---

Few producers can claim a level of influence to almost identify with their appellation – one of those is Domaine Huet. This iconic estate has been one of the standard-bearers of Vouvray since 1928. A true pioneer, Gaston Huet was one of the first vignerons to adopt biodynamic practices and to focus on single-vineyard bottlings. Remaining true to the philosophy of the founders, Sarah Hwang and Jean-Bertrand Berthomé continue to craft superbly long-lived Chenin Blanc from their three vineyards. From lively sparkling to unctuous Moelleux, the Domaine Huet range is the most extraordinary way to venture into Vouvray.
