Tasting notes

Special. Vivid, bright, clear fruit and enchanting perfume lift the core of dark, complex fruit. Packed with flavour and deeply concentrated with a backbone of minerality, this is a serious Gravelly Meadow which offers hints of what is clearly a great wine to come. Tantalising and exciting.

Reviews

Wow! This is a really great Gravelly Meadow. It is very dark in color and has a stunning perfume showing a myriad of black fruits. It is supple and rounded with great intensity and lots of flavor and richness. It will age effortlessly and gain increasing complexity over a decade or more evolve into something truly magical

About the producer

In the 1960s, the late Al Brounstein bought a plot of land in the higher part of Napa Valley. A true Francophile and visionary, he became the first producer in Napa to work exclusively with Bordeaux's signature grape variety: Cabernet Sauvignon. He also decided against blending all his grapes but to take advantage of the three distinct soil types on his property - volcanic, ferrous and gravelly - to produce different expressions of Diamond Creek Cabernet Sauvignon. The result is one of the most thrilling, concentrated, long-lived expression of Cabernet Sauvignon from Napa Valley.
