### Tasting notes

---

61% Merlot/39% Cabernet Franc The spiciness of Cabernet Franc combines with the generous, plump aromas of Merlot. We remain in fresh red fruit territory with sufficient tension and precise detail and- perhaps the vintage hallmark- those terrific, juicy tannins again, along with an extra dash of cream. As you work the wine on the palate, it really starts to move through the gears, leaving the richness of the attack behind, with the finish showing admirable persistence and trailing floral aromatics. This is really very good: a year or three in bottle will certainly be beneficial. Drink 2019-2025+

### About the producer

---

Under the Guinaudeau Family Vignerons umbrella is the G'Acte series from Château Grand Village. The massale selection nursery - planted by Baptiste and Julie in 2009 with Cabernet Franc and Merlot cuttings from Château Lafleur - is maturing impressively. The family records its development each year - the viticultural equivalent of pencil height marks on a door frame - by producing modern, poised wines called G'Acte 1, G'Acte 2 and so. As time goes on, these statements should record Fronsac's return to prominence in Bordeaux. Almost certainly, Château Grand Village wine deserves a higher status than Bordeaux Supérieur.
