Reviews

This Volcanic Hill is a monumental wine. The colour is very dark and the wine has a stunning perfume of blackberries and plums with a faint cedar tinge. With incredibly rich and concentrated fruit, the wine is beautifully balanced with great length on the palate and will evolve for decades - Extraordinary Potential.

About the producer

In the 1960s, the late Al Brounstein bought a plot of land in the higher part of Napa Valley. A true Francophile and visionary, he became the first producer in Napa to work exclusively with Bordeaux's signature grape variety: Cabernet Sauvignon. He also decided against blending all his grapes but to take advantage of the three distinct soil types on his property - volcanic, ferrous and gravelly - to produce different expressions of Diamond Creek Cabernet Sauvignon. The result is one of the most thrilling, concentrated, long-lived expression of Cabernet Sauvignon from Napa Valley.
