Tasting notes

This floral, fragrant and vividly mineral wine offers up enticing notes of fresh tangerine, beeswax and jasmine. The texture is fabulously bright with a sharp, crystalline acidity caressed in creamy mid-palate notes of baked lemon patisserie. This 2015 release from Liquid Farms is the leanest in style of all the wines and will benefit from some time in bottle; if you can resist temptation!

Reviews

The 2015 Chardonnay White Hill is refined, elegant and lifted, with plenty of bright citrus, white pepper and floral overtones. This is in a decidedly delicate, restrained style for Liquid Farm. Drink 2018-2023.
