### Tasting notes

---

An east to south facing vineyard with deep calcereous soils, the 2017 a very expressive wine with mouthwatering white peach and ripe green apple flavours. There is some real concentration here combined with lovely freshness which suggests good ageing potential. Drink from 2018.

### About the producer

---

Nestled between the 1er Cru vineyards of Côte de Léchet and Vaillons in the south-east of Chablis, Domaine Sébastien Dampt stretches over 7 ha of some of the most sought-after terroirs in the region. Sébastien set up his Domaine in 2007, after working closely with his father Daniel and brother Vincent at Domaine Daniel Dampt. A clear superstar of the future, his wines are some of the purest, most ethereal expressions of Chablis - mostly vinified in stainless steel to safeguard the fruit's nuanced expression of his terroirs.
