Tasting notes

Guix Vermell is the wine that started it all. Els Montalts is a tiny 4-hectare vineyard that sits at a dizzying 800 metres above sea level. Located only a few hundred meters away from Les Manyes, and the first vineyard as one crosses from Priorat into Montsant, the vineyard's name features the local terms for its red clay and gypsum soils. The 45-year old Garnacha vines that thrive there show an unparalleled beauty and elegant finesse.

About the producer

Terroir Sense Fronteres was established in 2016, when Dominik Huber, co-founder of Terroir al Limit, acquired a four-hectare plot as part of another acquisition. This parcel of land sits in the Montsant DO, despite being just a few hundred metres down the road from his land in Priorat. On his first visit, Dominik was delighted to discover 75-year old Grenache vines planted in a natural amphitheatre of red clay and gypsum. Free from the tight regulations in Priorat, he set about producing modern, ethereal wines of remarkable precision and purity.
