### About the producer

---

Sesti is one of the most delightfully individual producers in Armit's portfolio. Founder Giuseppe describes himself as 'eclectic by nature', and ran a Baroque Opera festival for thirty years while restoring the castle that features on their labels, and developing the vineyards. He has devoted himself to the study of astronomy, a subject on which he has published no fewer than five books, and Sesti considers the influence of the moon indispensable to viticulture. The 13 hectares of vineyards are located in a unique micro-climate in the southern part of Montalcino, surrounded by forests, and on soils of layered oceanic sediment, producing elegant Sangiovese with a distinct floral note.
