### Reviews

*"The 2018 Negre is a blend of organic Garnacha and 25% Cariñena from different vineyards around the village of Capçanes where they have the winery. (...) There are cherries, spices and herbs and a touch of licorice, and the palate is medium-bodied, with very fine tannins. Delicious."*

### About the producer

Terroir Sense Fronteres was established in 2016, when Dominik Huber, co-founder of Terroir al Limit, acquired a four-hectare plot as part of another acquisition. This parcel of land sits in the Montsant DO, despite being just a few hundred metres down the road from his land in Priorat. On his first visit, Dominik was delighted to discover 75-year old Grenache vines planted in a natural amphitheatre of red clay and gypsum. Free from the tight regulations in Priorat, he set about producing modern, ethereal wines of remarkable precision and purity.
