Tasting notes

"Volcanic Hill shows intense notes of cassis, blackcurrant, blueberries and black cherries, followed by violets, cocoa and cordial. This is full bodied and opulent, yet the tannic structure is beautifully integrated and nothing is overblown - the balance is impeccable. It also manages to be seriously refreshing. Cedar, sweet spice, tobacco, graphite and the faintest hint of truffle all emerge with patience. One for the cellar, superb." **Armit Wines**

About the producer

In the 1960s, the late Al Brounstein bought a plot of land in the higher part of Napa Valley. A true Francophile and visionary, he became the first producer in Napa to work exclusively with Bordeaux's signature grape variety: Cabernet Sauvignon. He also decided against blending all his grapes but to take advantage of the three distinct soil types on his property - volcanic, ferrous and gravelly - to produce different expressions of Diamond Creek Cabernet Sauvignon. The result is one of the most thrilling, concentrated, long-lived expression of Cabernet Sauvignon from Napa Valley.
