Reviews

"The aromatics here are incredible, it's intoxicating and perfumed with notes of violets, lilies and blood orange peel, really showy, elegant and complex. They believe this is where they want to go with this vineyard and wine, they picked the grapes at exactly the right moment, full of flavors and aromas while keeping the alcohol relatively low. This has a beautiful tannic structure, that seems fragile but with lots of energy. Incredibly elegant and harmonious."

About the producer

Terroir Sense Fronteres was established in 2016, when Dominik Huber, co-founder of Terroir al Limit, acquired a four-hectare plot as part of another acquisition. This parcel of land sits in the Montsant DO, despite being just a few hundred metres down the road from his land in Priorat. On his first visit, Dominik was delighted to discover 75-year old Grenache vines planted in a natural amphitheatre of red clay and gypsum. Free from the tight regulations in Priorat, he set about producing modern, ethereal wines of remarkable precision and purity.
