About the producer

Founded in 1984, Tua Rita was instrumental in establishing the 'cult' status of the earliest Super Tuscans. Nestled in the metalliferous hills of the Maremma in coastal Tuscany, Tua Rita have carved out a reputation for being some of the best producers of Cabernet and Merlot in Italy. Today, second generation winemaker Stefano Frasca continues to push the boundaries of Italian wine, experimenting with new varieties and techniques, and recent releases of these wines are the best they have ever been.
