### About the producer

---

In 2019, Charles-Louis de Noüe arrived in Slovenia. Coming from a long, family tradition of winemaking in Burgundy, and driven by his passion for finding the most authentic and prestigious terroirs for growing vines, he brought some abandoned, Brda vineyards back into production, rescuing their rich, genetic heritage with massale selection. The same year, he and his Slovenian partner Alis Marinič launched Vini Noüe+Marinič.
