#### Tasting notes

---

This wine is made from fruit grown on the hillside, from the highest classification of Crus in the region. 12 months ageing in barrels, 5% new oak. The nose is pure and spicy with a hint of violet, wild herbs and pepper. It has a beautiful grip of tannins, integrated freshness and purity. Stunning.

#### About the producer

---

In 2019, Charles-Louis de Noüe arrived in Slovenia. Coming from a long, family tradition of winemaking in Burgundy, and driven by his passion for finding the most authentic and prestigious terroirs for growing vines, he brought some abandoned, Brda vineyards back into production, rescuing their rich, genetic heritage with massale selection. The same year, he and his Slovenian partner Alis Marinič launched Vini Noüe+Marinič.
