### Reviews

*"The 2021 Cabernet Sauvignon was produced with grapes from their vineyard in Perdriel (Finca de los Andes is now mentioned on the label) that was planted in 1994 and delivers a fruit-driven and varietal red with fine tannins and a gentle mouthfeel. It fermented in stainless steel and matured in French barrique for one year. It has good ripeness and 14.3% alcohol. I always find notes of honey and beeswax in this wine, and this vintage is not an exception. It has herbal and berry fruit and is fresh, spicy and peppery, from the variety, with a medium to full-bodied palate with fine-grained tannins. It represents the variety, vintage and place faithfully. 36,000 bottles produced. It was bottled in August 2022."*

### About the producer

---

With their mature vineyards fed by meltwater from the Andes, family-owned Mendel Wines is a partnership between Roberto de la Mota; one of Argentina's most respected and experienced winemakers - and the Sielecki family. At 1000 meters above sea level, the grapes ripen slowly, allowing the flavours to intensify. Following careful selection, hand harvesting and artisanal vinification, the character of the wines produced by Mendel is testament to their dedication to the craft.
