About the producer

Named after a 19th-century explorer's ship, family-owned Astrolabe is Simon and Jane Waghorn's voyage into winemaking exploration in New Zealand's Marlborough region. The estate is rightly celebrated for wines that express the variety of their soil and the nuances of their terroir: from the Wairau and Awatere Valleys to the unique conditions of the Kekerengu Coast. Astrolabe wines reflect the Waghorns' innovative treatment of specific parcels and winemaking process to capture undiscovered qualities of individual grape varieties, resulting in some of the most pure and elegant wines from the region.
