### About the producer

---

It took nearly 10 years for Paddy Borthwick to convert part of his family's sheep and cattle station in Wairarapa, in the south of New Zealand's North Island, into a wine estate. He was convinced that an old, stony river terrace with free-draining alluvial soil and a unique micro-climate was perfect for growing premium wine grapes. After years of studying and winemaking experiences abroad, Paddy Borthwick returned to Wairarapa and began planting vines in 1996. A firm believer in sustainable agriculture, and with a relatively hands-off approach in the vineyard and winery, he crafts lively, tense and incredibly precise wines.
