### Reviews

---

*"Pristine, scented and extremely fresh, with wild red cherries, herbs, raspberries and strawberries on the nose, following through to a bright, crunchy palate that's full of wild-berry flavors and verve. Fresh, silky tannins. Impressive drinkability here, with delicate, juicy berries. Only 12.5% alcohol. Lovely, reductive character. Drink now or try to wait a year or two."*

### About the producer

---

Terroir Sense Fronteres was established in 2016, when Dominik Huber, co-founder of Terroir al Limit, acquired a four-hectare plot as part of another acquisition. This parcel of land sits in the Montsant DO, despite being just a few hundred metres down the road from his land in Priorat. On his first visit, Dominik was delighted to discover 75-year old Grenache vines planted in a natural amphitheatre of red clay and gypsum. Free from the tight regulations in Priorat, he set about producing modern, ethereal wines of remarkable precision and purity.
