### About the producer

---

Nestled on the Ligurian border with Tuscany, near the remains of the ancient Roman city of Luni; Cantine Lunae has been pushing the boundaries of Ligurian wines since Paolo Bosoni took the helm of the winery in 1966. His family's dedication to quality is helping to create incredibly vibrant and intense wines from local grape varieties which are a true distillate of their soils, Mediterranean climate and their respectful viticulture. From the mineral expression of Vermentino to spicy Albarola, there is plenty to discover and experiment with their range.
