## About the producer

---

Viticoltori de Conciliis is an artisanal family-owned winery based in Campania, representing the best of contemporary winemaking in southern Italy, with mineral, complex Fiano and rich, layered Aglianco. The winery was formed in 1996, when siblings Luigi, Bruno, and Paola convinced their father Alessandro to stop selling their grapes and make their own wine. Their 15 hectares of vineyards are set in rugged coastal foothills with soils rich in marine minerals and fossils, the altitude and sea breezes balancing out the Mediterranean heat. The family are pioneers of sustainable viticulture in Campania: they farm organically, have been energy self-sufficient with solar panels since 2007, and have always have paid all employees a living wage and guaranteed year-round employment.
