### About the producer

---

Named after a 19th-century explorer's ship, Astrolabe is Simon and Jane Waghorn's voyage into winemaking exploration in New Zealand's Marlborough region and is now 100% family-owned. The family-owned estate is rightly celebrated for wines that express the variety of their soil and the nuances of their terroir: from the Wairau and Awatere Valleys to the Kekerengu Coast. Astrolabe wines reflect the Waghorn's innovative treatment of specific parcels and winemaking process to capture undiscovered qualities of individual grape varieties, resulting in some of the most pure and elegant wines from the region.
